“Thanks for your help. I liked the rigor of your (structured) program, which motivated me to work hard. Given my engineering background, I particularly gained a lot from the clear coverage of key topics.

Gaurav B, B. Tech (IIT),
Derivatives Strategist, Helios Capital Management, Mumbai

Program Overview

- FRM title holder and qualified practitioners will lead the class
- The program is broken out into 15 modules, of approx. 3 ½ hours each
- Key concepts and illustrative problems will be covered in class
- Review notes will be provided in power point slides, word documents & excel spreadsheets
- Comprehensive problem sets (along with solutions) will also be provided
 - Over 50 problems for each module (and total of about 1500 problems)
 - Important to solve problems independently to gain the right skills and confidence
- Includes two sample exams in classroom in simulated exam conditions!
 - Additional two sample exams will also be provided for candidates to work on
- Receive instantaneous feedback/ analysis of the sample exam and suggestions around areas of opportunity (to optimally allocate and maximize the value of your study time)
- Interactive & collaborative environment: share/ learn from experience of other candidates

Key Highlights

- | | |
|-------------------------------|--|
| Focused instruction | - In depth review of concepts with illustrative problems |
| Home work problems | - Rigorous practice with feedback to fine tune your skills |
| Mock Sample exams | - Time management and analysis on opportunity areas |
| Tips and test taking strategy | - Insights around succeeding on the exam |
| Learn from other candidates | - Learn and share your experiences |
| Mentoring by Title holder | - Get answers to your questions right up to exam day! |
